

REMARKS

The title has been amended to conform with the English translation of International Patent Application No. PCT/JP2005/001492.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application. No new matter has been added.

Prompt and favorable consideration of the present application is earnestly solicited.

Dated: August 3, 2006

Respectfully submitted,
